

Intermedia AnyMeeting® Video Conferencing

Video conferencing, web conferencing,
and collaboration tools to boost
productivity for your business.

Easy-to-use

No onboarding or training required.
Download the AnyMeeting desktop
app to get started.

Faster decision making

Host video conferences with clients
or prospects, or quick conference
calls with up to 200 attendees*.

Connect on-the-go

Host and join meetings on-the-go
across any device with the
AnyMeeting mobile app.

Built in collaboration tools make it easy for participants to share content for more interactive and productive meetings in real-time.

All AnyMeeting plans include:

Webcam: Show off your smile (or don't!) it's up to you. Up to 12 webcams supported (pro only).

Audio: Conference call numbers and PINs are provided, so participants can join by phone or computer.

Screen sharing: Share your entire screen or applications on your desktop for more interactive meetings.

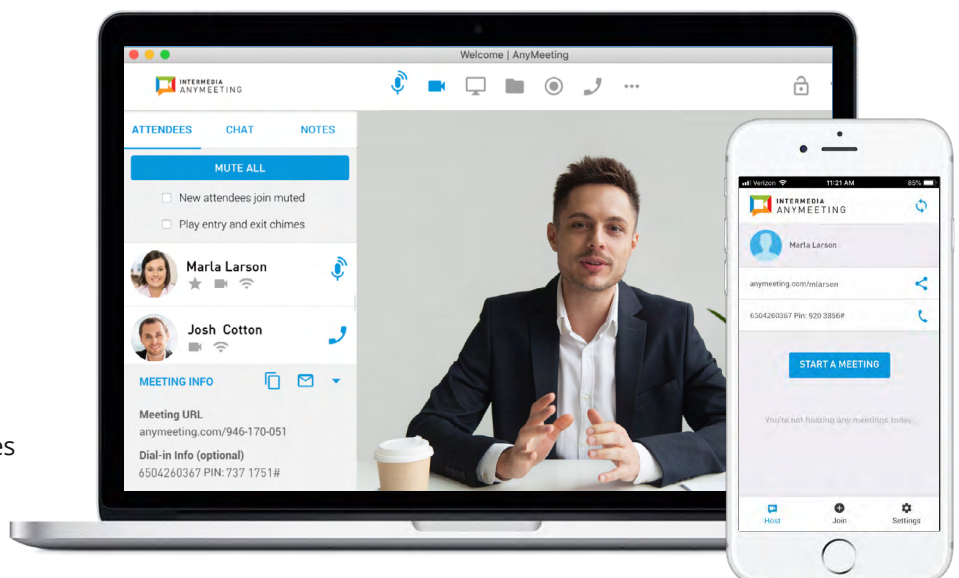

Chat: Exchange messages with all attendees, links and emojis.

AnyMeeting Pro plans also include:

Remote control: Give participants direct control of your keyboard and mouse so you can collaborate better together.

Notes: Capture meeting notes in real-time—all notes are automatically sent to participants after the meeting.

Record meetings: Unlimited meeting recording, storage and sharing capabilities makes it easy for no one to ever miss a meeting.
