- a business-grade file sync and share service and a single sign-on portal

Intermedia's 2014 SMB Roque Access Study

**About Intermedia** 

Intermedia's Office in the Cloud offers email, phone service, file sync and share, single sign-on, archiving and more. They're all fully integrated, secure and mobile. And they're all managed through our central HostPilot control panel. Our services thwart the ex-employee menace by making it simple to revoke access to the entire cloud

footprint with just one click. Learn more at Intermedia.net/RogueAccess.
